

SolGraphix Gloss Canvas

Product Description:	SolGraphix Gloss is a rapid drying, water resistant canvas specifically designed to provide a gloss finish that is popular with wedding, portrait photographers and artists doing Giclee work. Due to a unique process developed by IJ Technologies an extremely wide color gamut is achieved when using OEM eco-solvent, solvent, UV and latex ink sets. SolGraphix Gloss Canvas contains no optical brighteners.																	
Suggested Uses:	Fine Art Reproduction, Photographic printing, Weddings, Portraits, Landscapes, Commercial																	
Product Code:	SGCG
